

TITAN Surgrip Valve Wheel Wrench

TITAN SURGRIP VALVE WHEEL WRENCHES significantly reduce the chance of injury due to wrench slippage when opening and closing valves.

These durable, ductile iron wrenches are **safer** and **easier** to use because the head design provides a **better grip** and allows the operator to rest the wrench on top of the wheel when opening stubborn valves. This, along with **longer handle** lengths for **more leverage**, make the TITAN Surgrip the best valve wheel wrench on the market.

TITAN Surgrip Valve Wheel Wrench			
ITEM	PATTERN	OVERALL LENGTH (approx.)	WEIGHT
VW0SG	Double-end	8"	0,40
VW0LSG	Double-end	15"	0,62
